

## Vanilla

Restaurant

**“One cannot think well, love well, sleep well, if one has not dined well.” - Virginia Woolf.**

We couldn't agree more, which is why our menu offers a great selection of both traditional Thai food and European cuisine to make sure that there are many things to suit every taste.

In addition to the wide variety of breakfast options, our 'all-day dining menu' includes a great choice of sumptuous salads, made-to-order sandwiches, freshly-made pasta and wonderful homemade pizza.

We also carry a full range of Häagen-Dazs ice-cream, perfect to cool-off with - as well as a selection of other sweet options to satiate any cravings...

The Thai attitude to life can be summarised by what are known as the "Three S's" – Sabai, Sanook, and Saduak – which have been brought to you at Vanilla with a 'comfortable' setting, a 'fun' atmosphere (complete with pool table and well stocked bar) and the 'convenience' of having any of our menu items served to you in your room through 'Room Service' should you so choose... We can also make up 'packed lunches' to cater to you while you are off-site exploring the island - just let us know your selections from the menu and they will be freshly prepared and packed-up ready to go...

We hope that you will very much enjoy the menu options listed below, but if you have any special requests for anything different, please let us know and we will do our very best to make you happy...

Bon Appétit! ... Mahlzeit! ... Приятного аппетита! ...  
Enjoy your meal!
