## **Code Signature Massage**

East meets West with this fusion of traditional massage with the most effective elements from an eclectic mix of different massage schools. As pure essential oils are massaged into your body their scents uplift your senses; your meridian lines are activated providing the warm sensation of free energy flow while muscles and ligaments are gently kneaded to ease tension. Once your body has been properly tended to then you have gentle stretching in the appropriate areas. The finale of a facial and scalp massage completes this signature treatment.

## **Swedish / Sport Massage**

(60min. – 1200 THB++)

This massage combines the three key massage elements of kneading, gliding and percussion. It utilizes a combination of both light and deep stroke massage to stimulate blood circulation and lymphatic flow thereby soothing tension. This treatment will facilitate the elimination of tiredness and stress, and leave you feeling light and rejuvenated.

(90min. - 900 THB++)

Thai Massage is one of the world’s great massage traditions. This incorporates a blend of Indian yoga techniques, relaxing muscles and ligaments as well as improving blood circulation. It also channels the energy fields running throughout the body in order to achieve the balance necessary for optimized living. Through the rebalancing of these energy fields, aches and pains as well as stress will recede to be replaced by feelings of both calmness and well-being.

## **Herbal Compress Massage**

(60min. – 1400 THB++)

A Thai massage in which bundles of therapeutic herbs are wrapped in cloth and then steamed before being used as compresses in which the healing elements from the herbs are released onto the body and then massaged in, providing a synergy of natural elements combined with touch which stimulates good blood circulation and is especially effective for deep muscle aches and the alleviation of joint pain. The addition of heat in this technique makes its therapeutic elements more powerful. It is highly recommended as an option to follow the Thai Traditional Massage.
